Dear Friend of Children...

The support of churches like yours has created a Legacy of Hope through your Louisiana Baptist Children's Home for 125 years. Hope has been restored and homes have been provided for thousands of children who have come through this ministry over the years.

Your Louisiana Baptist Children's Home provides love, care, and hope in Christ to abused and neglected children and homeless children and mothers. We offer professional Christian counseling to individuals and families. Your kind contributions allow us to provide women with education, job training, and the necessary life skills to support their families through the Women's Learning Center. With your support we serve foster families around the state through Connect1Child and provide life essentials for children and families in need through the Compassion for Kids ministry.

This past year, many children and others trusted Jesus as their Savior and Lord because of your support. One of those was a little boy named *Chase. He had never been in church. A few months ago, he went to one of our Baptist Camps. He came home wanting to know more about what it meant to be a Christian. After speaking with his cottage parents, he accepted Jesus as his Savior. Thank you so much for being such an important part of life-changing decisions through the ministries of the Children's Home.
